

How to adopt IoT to your business? Join FREE tour to the Internet of Things (IoT) live showroom in Hong Kong!

31 October 2019, Thursday, 19:00 – 21:00

ISCM is proudly to partner with GS1HK for their IOT Centre Tour. The centre which is Hong Kong's iconic and the RFID/IoT live showroom demonstrates the latest state of art IoT technologies including **Smart Retail & Omni channel and Consumer Trust** with the objective to inspire innovations and sparkle IoT deployments. It contains live demonstration in thematic zones of which visitors can touch and feel the power of IoT technologies in various industries including retail and logistics.

With over 110 chapters around the world, GS1 is a not-for-profit, industry-led global organisation dedicated to the design and implementation of global standards and solutions to improve the efficiency and visibility of supply and demand chains. Two million companies across 20 industries in over 150 countries are using the GS1 System of Standards
